<p></p><p>In Catpad, you play as a cat! And as a cat, you can

do regular cat stuff; you can build 🍎 a tower out of boxes, play memory

 and sometimes even drive a car at high speeds. As you play, shiny 🍎 po

wer-up balls will show up. Hitting enough of these balls will put your cat into

Fever Mode! In this mode, 🍎 your cat goes a bit crazy and will start sc

oring tons of points. This can help you to set new 🍎 highscores and get

 new achievements. By getting good scores, you will unlock new items to decorate

 your cats home with! 🍎 There's more than 6 games for you to master

. Can you and your cat become the perfect duo?</p>
