Dragon Simulator 3D is a simulation game where you can

be a dragon. The goal of the game is to , complete the missions of dragons

across the level and to collect stars. Once you have enough stars your dragon will

, upgrade to the next level and become stronger and faster. The missions in

this game are really fun to play , and they really improve your dragon skills

. Fly over the mountains and soar down the peaks to get the feeling , of actual

ly flying.

How to play:

Dragons are not easy to control:

Move around - WASD

Spit fire - LMB
