[Call of Duty 2 for the Xbox 360](#) was one of the most popular online games for the console for the first two years of its release. The maps in Call of Duty 2 vary from Normandy, Africa, and Russia during the winter.

[Call of Duty 2](#) Call of Duty 2 is a first-person shooter game developed by Infinity Ward and published by Activision. It is the second installment in the Call of Duty franchise, following Call of Duty: Modern Warfare. The game is set during World War II and is the first in the series to feature a modern war setting.

In addition to its focus on intensity and realism, Call of Duty 2 also emphasizes its historical accuracy. All military units in the game actually existed and all of the battles portrayed did occur (although not exactly as they are portrayed in the game).
