You may need to have a valid payment method on file, even if the app you want to download is free. fyi: Not all credit & debit cards seem to work with App Store / iTunes Store, try a different one, or preferably a credit card. If your card is not accepted as a payment method, you need to contact your bank.

I can't download an app due to billing problem with a previous purchase.

I can't download an app due to billing problem with a previous purchase.

Download apps to your Android device

- 1 Open Google Play. On your device, use the Play Store app.
- 2 Find an app you want.
- 3 To check that the app is reliable, find out what other people say about it.
- 4 When you pick an app, tap Install (for)
