<p></p><p>Flags is a thinking game where you are presented wit
h a random flag, and you must guess which country it 😄 belongs to. Ther
e are six main game modes: 60 Seconds (get as many flags correct as possible in) Tj T* BT

he game will display a flag and you will choose one of the countries listed belo
w as potential 😄 answers. The second game mode works similarly but in r
everse: The game will show you a country name and present 😄 you with th
ree flags to choose from. The quicker you answer, the more points you will earn.

And the more 😄 questions you get right without failing, the higher you
r score can be. What's your streak in Flags? Share the game 😄 with
your friends and have a fun competition!</p>
