Players needed to get 31 kills with their weapons to

get rewarded with the nuke. When launched, a siren will blare and the nuke would

detonate killing every player on the map without ending the match

In MW3, the only way to get

a Nuke killstreak is to go on a 30 gunstreak. This means

only kills from your weapon or equipment will be counted toward the streak. Killstreak

kills, such as ones from a Chopper Gunner, Juggernaut, VTOL Jet, etc.,

will not count toward the 30 kills needed for a Nuke.
