User-generated games could expose kids

to inappropriate content. One of the main risks parents should know

about Roblox are user-generated games, or "condo games," that feature

adult content, such as simulated sex acts, graphic {img}, and inappropriate lan

guage.

We do allow experiences with some forms of cartoon

violence, as long as they are not overly graphic or realistic.

How

ever, Roblox does offer a feature that allows parents to limit the ability to ch

at, and types of experiences their children can access.
