CyberDino: T-Rex vs Robots is a side-scrolling action game featuring futuristic cyber dinosaur battles. Fight against various monsters and robots,

upgrade your gear, and become the ultimate CyberDino.

How to Play

Attack

The first thing you'll do in CyberDino is attack. In attack mode, you

ou roam through a series of battles against robots. You have 3 abilities to use

with your default attack. There are 4 separate regions, each new place bringing

tougher enemies, and a final boss at the end.

Remember, the Diamatti is best used when you're

in close quarters, indoors, maybe storming an enemy squad hunkered down in a house.

It's a bit of a specialist weapon, but a really powerful one at that.

Warzone: Best Diamatti loadout and class setup - Rock Paper Shotgun
