As we want to provide almost all Papa's games, it is

time to add the other Papa's popular game Papa's Cupcakeria. I think

the most of you have played it and sure that you love this game.

Papa's Cupcakeria is older than Papa's Pastaria, so I was fo

nd of the game.To tell the truth, sometimes I feel that I prefer playing

Cupcakeria than Pastaria. But both of them is so great that people from all

over the world love and cannot stop play them.

Instead of being forced to run the new business because Papa is a lazy

jerk, this time you're working off a debt. As if making cupcakes to o

rdner fast food style weren't inherently hilarious and difficult enough, in

addition to cranky customers, batters, frosting and more, you've also got

the changing seasons to contend with and the holidays they bring!

;

Papa decided to open a new type of restaurant, where the residents of t

he city can eat delicious cakes, chocolates and sweet fruits. Also th

e restaurant offers different types of quality coffee and tea. As we know, all P

apa's restaurants have a great service and it is law, that every cost

umer should be content with food.

You work at the bar and you should take orders, make orders

with your food and bring it to the costumer.
