In addition to its focus on intensity and realism,

Call of Duty 2 also emphasizes its historical accuracy

All military units in the game actually existed and all of the battles portrayed

did occur (although not exactly as portrayed in the game).

Most of the Western Front locations presented in the first

two Call of Duty games and the more recent Call of Duty: WWII are quite accurate,

especially France. The names of the towns, villages, and even

the operations are well-researched (as they should be) and even recreated with

decent attention to detail.
