<p>This is the point in a tournament where the next player out does not take any winnings. &#128068; The remaining players will take something away from the table.</p>

<p>Example: The tournament you are in states that the top 25 &#128068; players will win money and there are 26 players left. These 26 players are on the bubble . The one player &#128068; that is knocked out and gets no reward is said to have been knocked out on the bubble .</p>
