A Premier League is well known and loved by many fans, but some teams need to worry about relegation.

In this article, we will talk about the chances of teams being relegated, including

Brentford. In addition, we will provide a table with the respective odds

according to one of the main sports betting sites.

According to the odds

of the Premier League, Brentford has a significantly lower chance of being relegated

than the other teams.

The odds are:

Burnley - 89%

Luton Town - 62%

Nottingham Forest - 42%

Brentford - 14%

Everton - 6%

As we can see,

Brentford has a significantly lower chance of being relegated

than the other teams.

However, it is important to remember that these are only probabilities and should not be

used as a guarantee.

Below, you will find a comparative table with the odds of the Premier League

and the chances of being relegated.

As you can see, the odds of Brentford being relegated are significantly lower than those of

the other teams.
