<p>Best cod of the modern era, not that that saying much. The campaign was

fun enough, 8 , £ with interesting ideas such as dialogue options and branching

missions, but overall it's hard to get invested in due to 8 , £ the state of

the overarching COD storyline. I'm honestly can't tell if this is solely

in the new MW timeline, 8 , £ a sequel to the old black ops storyline, or some w

eird fusion of the two that drags the old games 8 , £ into everything.</p>

<p>Not much to say on the MP. I haven't played it since it's year

in the cycle, and games 8 , £ are hard to find, at least on pc/steam. From what I

remember I enjoyed it, especially the 3v3 mode. the 8 , £ overall game feel is b

ad compared to the MW games, but I think that's not an issue going forward.

Fun 8 , £ for the most part, but SBMM makes matchmaking annoying to participate i

n, often having the game openly tell you it's 8 , £ searching for games with

100 plus ping at times.</p>

<p>Zombies though, Zombies is genuine great. BO 3 is certainly the peak 8 ,

£ of the original zombies formula, but I dare say I almost like this more, game

play wise. It is sadly missing 8 , £ a lot of the personality of the W@W-BO3, wit

h MP operators as characters instead of a set crew being the 8 , £ largest proble

m. The HUD does also kinda suck, fine in function but lacking any character in t

he design. Especially compared 8 , £ to BO3, although I'd say it's still

miles above BO4 with how cluttered that was.</p>

<p>All in all, I'd say it's 8 , £ worth it on sale if you really li

ke cod zombies and skipped this one. It has a lot of rouge-like 8 , £ elements th

at can keep you playing for a while, plus a weapon/camo grind, if you're int

o that sorta thing. If 8 , £ you're not a fan of zombies, don't bother.<
