Idle Ants is an addictive browser-based game that puts you in the role of an ant king overseeing a bustling ant colony. The ants, masters of organization and structure, act like gods, feasting on other insects, eggs, unusual foods, and even airplanes! Your task is to lead your army to destroy everything in their path and profit. Ever dreamed of starting your own ant colony? Idle Ants gives you the chance to make that dream come true. You'll feed your ants, buy new ones, and watch your little kingdom grow. The game takes place on a sandy surface where your ants will scurry around doing their jobs. They need to eat well and take uneaten food scraps to a makeshift nest. Your job is to make sure your ants always have access to food. Place the edible in the center and watch your ants feast on it. Idle Ants is a fantastic way to spend your free time!
