Ghosts is the first CoD game to grace the PlayStation 4. It brings impressive improvements of titles from the previous generation and allows for a level of personalisation that other CoD titles didn't include. The campaign will have you play through an impressive 18 missions, each boasting great-level design.

campaign follows Task Force 141, a multinational special forces unit commanded by Soap MacTavish as they hunt Vladimir Makarov, leader of the Russian 1st Airborne Brigade and United States Army Rangers from the 1st Ranger Battalion who are hunting for the Ares.
