Warfare 1917 is a fun game of strategy, tactics and war. You are a mili
tary general in World War I and it is your duty to command your troop

s and lead them to victory. Before you start each battle you can upgr
ade your units. During a battle, you must deploy your troops to the trenches and

help them advance across the battlefield to defeat the enemy. Your t
roops will only advanced when you have a certain number of soldiers i

n one place.

Keep pressure on your enemy and keep your troops advancing. You must us
e a combination of troops to advance - don't simply use one type

of troops - try using everything at your disposal such as riflemen, a
ssault troopers and mortar troopers. Also remember to make use of your special a

bilities such as a mortar strike. This game is fun but also tactical

and it will really make you think about your troop deployment and options!
