Join the ultimate mining adventure in our crafting games! Our highly addictive collection includes a variety of supplemental titles.

In the Skin Creator, players can make their own designs for use in the award-winning sandbox world. There are tons of pre-made parts available for quick combinations. Creative gamers will enjoy designing head and body parts from scratch. In Creep Craft 2, players must fight creepers in a classic platform environment. Get your crafting tools and weapons and fight enemies! Take the indie craze to a whole new level with fiery ammo and stunning surprises!

Our collection of crafting games also lets you engage in other unique challenges. Take control of a green Creeper, and try to reach the diamond without dying. The 2D adventure features retro stone blocks and deadly lava for danger at every turn. Or, test your shooting skills in Pixel Warfare 5! 3D floating tiles will pop out of holes randomly. Break each one into tiny pieces to acquire resources and create more powerful weapons. Have fun in the 3D block world like never before!
