Theft Association. This regional group was founded in 1987 as Western States Energy Theft Association (WSETA) with the intent to bring utility companies together from the Western United States. In 2001 the name was changed to Western States Utility Theft Association. Our mission is to identify measures to protect our companies from revenue losses associated with unauthorized use of service. Each year, WSU TA hosts a conference for utility companies to discuss the value of each company and how to use inventory to compensate for losses and increase life expectancy of assets. This allows companies to use their assets to finance acquisitions and choose to follow.
