Silent Hill 3 has a lot of standout moments, but arguably the game's scariest sequence occurs in a mirror-filled room at Brookhaven Hospital. Heather sees her innocent reflection moving around in the mirror across from her.

ve just played Silent Hill 3 for the first time, and it is the scariest game Ive ever played. Im no connoisseur of horror games, but Ive played my fair share. Resident Evil, Outlast, Alien Isolation, to name a few.

Unfortunately, adding the dragon egg to your inventory and trying to hatch it in the overworld isn't possible in the base game, and you'll need to install a mod to add that ability to Minecraft. In other words, dragon eggs can only be hatched if you're playing a modded game.
