This means that you not only have to predict which team will win but also how many goals they will score. The handicap european 1.0 is a form of handicapping used in sports betting, especially in football. It is called "handicap" because it is a more popular term in Europe and in contrast to the handicap asiatic... No handicap european 1.0, a team is given a 1 goal advantage before the game starts. This means that the team receives 1 goal additional chances! If you bet on this group they need to win the game or lose by only 1 goal. A 1 goal difference for the bet to be a winner, if the team wins by 2 or more goals the bet is a winner, if the team loses or draws the bet is a loser. If the team wins by 1 goal the bet is a winner, if the team loses or draws the bet is a loser. In summary, in the handicap european 1.0 the favorite team needs to win by 2 or more goals for the bet to be a winner, while the underdog team can lose by 1 goal and still win the bet.
