

# Qilin

Qilin is a mythical Chinese creature, often described as a hybrid of a horse and a dragon. It is said to be a creature of good omen, appearing only to the virtuous. It is often depicted as a horse with a dragon's head and horns, and a single horn on its forehead. It is said to be able to walk on water and to be able to travel between the Earth and Heaven. It is often associated with the South and the summer season. It is also said to be able to bring good luck and prosperity to those who see it.
