Art the Clown became infamous in the original Terrifier for the shocking ways that the slasher interacts with his victim&#39;s bodies, and Terrifier 2 amps that up even further. &#247;After Terrifier&#39;s nauseating hacksaw scene, Terrifier 2 takes things a step further and includes dismemberment, cannibalism, and scalplings galore&#247;

Insensitive and Disturbing. This movie has too much violence and gore. &#247;This is definitely not for kids&#247; and especially when their brain is still developing. This is also not a movie for people who are sensitive to slasher films.&#247;
