O O bet365

To win a round of Minesweep  
er, you must click on the board every square that doesn't have a  
mine under it. Once you've done so, the game will be over. If  
you accidentally click a square that has a mine beneath it, the game will be ove  
r. You'll have the option of starting a new game or redoing the one you just  
played.
