Vex 4 is a popular action platformer game that is part of the Vex game series. In this game, players control a stick figure character who must navigate through various levels filled with obstacles and enemies. The goal of the game is to reach the end of each level while avoiding obstacles, collecting coins, and overcoming enemies. The game features challenging physics-based gameplay and requires quick reflexes.

But its huge size, and the slow pace created as a result, often makes it feel at odds with what was fun about Zombies in the past. Operation Deadbolt, the name for Modern Warfare 3's Zombies mode, takes place on a version of the upcoming Warzone map of Urzikstan.
