The rivalry has its origins in the 1920s, when both teams were founded, and is &#128068; considered the second-most popular derb in Brazil, behind Corinthians x Palmeiras.</p>&lt;/p>The main disputes between these two teams began years after &#128068; Cruzeiro, originally named Sociedade Esportiva Palestra It#225;lia, was founded in 1921. However, it was in the 1940s that the rivalry &#128068; strengthened and became the largest derby in Minas Gerais, rivaling any other football competition in the state during the 1960s.</p>&lt;/p>At &#128068; the time being, Atl#233;tico competes in several sport modalities; however, it has an excellent historical record in football, providing the &#128068; most international-class players of any footbol club from Minas Gerais. In contrast, Cruzeiro, which holds the largest number of national &#128068; footgol titles, is considered the second most popular foot Ball clube in Minas.</p>&lt;/p>It#39;s interesting to mention that even though both &#128068; teams hold a historic rivalry in football, a study reveals that each team has unique fan characteristics. Atl#233;tico fans are &#128068; predominantly males (76%) from high-income neighborhoods (41%.) While Cruzeiro has a contrasting audience: with more than 50% of fans being &#128068; female and having a prevalence of income ranging from middle (32%) to high levels (28%).</p>&lt;/p>La Rivalidad Entre el Dinero Y &#128068; El Glorioso</p>&lt;/p>&lt;/div>&lt;/div>
