<p>Story</p>

<p>The game takes place during World War II and its story is divided into three separate campaigns – Soviet, British, 👌 and American – each focusing on different historical events. Soviets start their campaign during the Battle of Moscow and have 👌 to defend the city, while the British start in North Africa and are tasked with a sneak attack on Afrika 👌 Korps troops. American campaign, on the other hand, begins during the famous D-Day and takes the player through other important 👌 events, including the ones revolving around the Hill 400.</p>

<p>Gameplay</p>

<p>Call of Duty 2 game is a first-person shooter, meaning you will 👌 spend most of your time running from point to point in order to complete your objectives, killing enemy soldiers in 👌 the process. It's important to note that you are not the chosen one, and you will easily die if you 👌 are not aware – if you want to succeed, you have to cooperate with other soldiers, who can draw enemy 👌 fire or lay down covers for you.</p><p>The game features a variety of historically-accurate weapons from the WWII era. Defeated enemies 👌 drop their weapons – you can pick them up and use, but you can only wield two firearms at any 👌 given time. Combined with limited ammo, you are encouraged to make use of everything you can find. Defeating groups of 👌 enemies can be done with frag grenades, while smoke grenades provide tactical cover.</p>
