<p>Characters and setting</p>

<p>Activision Blizzard CEO Bobby Kotick stated on November 8, 2011, that a new Call of Duty game was 🧬 in development for a 2012 release and would be the newest installment in the franchise.[17] The game was officially confirmed 🧬 by Activision during its fourth-quarter earnings call on February 9, 2012, who promised that it would feature "meaningful innovation" for 🧬 the series.[18][19] Oliver North, who was involved in the Iran Contra affair was a consultant on the 1980s portion and helped 🧬 promote the game.[20] The author and defense expert Peter W. Singer served as a consultant on the 2025 storyline of 🧬 the game.[21]</p>

<p>Reveal</p>

<p>The game's soundtrack was composed by Jack Wall,[49] with the main theme composed by Nine Inch Nails frontman and 🧬 film score composer Trent Reznor.[50] The soundtrack was released as a part of the Hardened Edition and Care Package releases, 🧬 as well as on iTunes and Amazon, with two supplemental tracks by Brian Tvey, as well as "Symphony No. 40 🧬 in G minor, K550 (Allegro Molto)" by Wolfgang Amadeus Mozart. Also, a version of the song "Try It Out" by 🧬 Skrillex and Alvin Risk is used in the game, but it is not present in the soundtrack album. When the 🧬 Campaign is completed, after the end credits, Woods and Menendez perform a concert with heavy metal band Avenged Sevenfold on 🧬 their song "Carry On", with Woods on drums and Menendez on rhythm guitar. The band chose to use Woods as 🧬 the drummer in the game due to the loss of their original drummer The Rev, who died of a drug 🧬 overdose on December 28, 2009. The band's song "Shepherd of Fire" is featured on the Zombie mode Origins. Additional artists 🧬 include Sean Murray, Jimmy Hinson, Sergio Jimenez Lacima, Kamar de los Reyes, Azam Ali, & Rudy Cardenas.[51] A war track 🧬 pack containing a selection of Black Ops II songs is featured in Black Ops Cold War's season two battle pass.[52]</p>

<p>Marty 🧬 Sliva of 1UP gave the game a B+ while praising it's freedom of choice in game modes and gameplay variety: 🧬 "I was surprised with the risks that Treyarch took in the name of delivering a unique and creative experience. Not 🧬 all of them paid off, but knowing that the team was willing to eschew the safe route helped ward off 🧬 any stagnation that may have begun to creep into the series as of late."[69]</p>
