

bwin english

The Italian journalist claims that if Italy maintains its current standing in the Coefficients, the fifth-placed team in the Serie A will also qualify for the Champions League group stage. Currently, the top four sides in Serie A at the end of the season qualify for the group stages of Europe's prized competition.

Serie A threatens to impact EPL's extra Champions League spot

By Lorenzo Bettoni. Italy are on top of the UEFA Association club coefficients ranking after the group phase of European competitions and will have five clubs in the 2024-25 Champions League if they finish the season in the top two.

Serie A clubs receive 2024-25 Champions League boost as Italy ...
