To help the restaurant, we first needed to understand their challenges.

We discovered that the restaurant struggled with digital presence, and online testimonials were conflicting. We recommended that the restaurant take advantage of BEST-XP's network of partnerships to create an effective marketing strategy. This strategy included new promotions and special events tailored to attract new and existing audiences.

We then helped design and implement the marketing plan. Firstly, we revamped their social media presence, published positive customer reviews, and utilized compelling visuals and content to elicit engagement and excitement. Secondly, we partnered with local influencers and media personalities to promote Xique-Xique Bahian Cuisine. This approach garnered more impressive impressions and sales leads. Finally, we designed loyalty programs and special offers to drive positive word-of-mouth and recurring business.

2. Encourage customers to share reviews prominently. Good reviews convert more prospective customers into paying customers while simultaneously weeding out the competition.
