The galgo does not need much exercise

. Three walks of 20 minutes a day is usually enough. Despite being th

e athletes of the canine world, galgos are not very active dogs. Obviously it de

pends a lot on the age, a young galgo less than two years old has more need to r

un than an older one.

divdivdivThe Spanish Galgo is spana medium-size hound

dog breed from Spain with a short, smooth or rough coat and a narrow, lanky bui

ldspan. Also known as the Spanish greyhound, these dogs closely resembl

e the more common English greyhound dog breed likely a relative of them. Galgos

are athletic, with good swiftness and endurance.
