

## O O bet365

The only thing you get after the credits is an achievement. And no, there is no hidden ending in Limbo. If you beat the game without dying once you'll get another secret egg (and is required to get 111% in the game, but there's no way to get it). BTW, the game is available on all platforms.

Is there a hidden or alternate ending for the game Limbo? - Arqade.com
