Black Ops 3 is arguably the longest Call of Duty ga

me. Most people report finishing the main story in about nine hours, which is ce

rtainly a respectable amount of time for a first-person shooter that releases ju

st about annually.

1 & Call Of Duty: World At War

It's difficult to

imagine a Call of Duty game being harder than Call of Duty: World at War. This

game has everything all the other games had, times ten. Every map is overflowing

with enemy troops. Grenades are being thrown at players from every given angle.
