&lt;/p>&lt;/p>Gameplay  
&lt;/p>In FNAF 4, you play from a first-person perspective and must use variou  
s tools to protect yourself from the animatronics. Your primary tool  
is a flashlight, which you can use to keep track of the animatronics' moveme  
nts. You can also close doors and windows to keep them out, but these  
actions consume your limited supply of power. The animatronics move  
around your bedroom and can attack you from any angle, so you must use your sens  
es and quick reflexes to survive.  
&lt;/p>To play FNAF 4, you will need to use the arrow keys or W, A, S, and D k  
eys to move around. You can use the space bar to shine your flashligh  
t and the mouse to interact with objects. The game is split into five  
nights, with each night becoming progressively harder. You must survive until 6  
:00 AM to complete each night.  
&lt;/p>Conclusion  
&lt;/p>Overall, Five Nights at Freddy's 4 is a thrilling horror game that  
will keep you on the edge of your seat. The game's unique mechani  
cs and intense atmosphere make it a must-play for any horror game fan. Just be  
prepared for plenty of jump scares and a challenging gameplay experien  
ce. So, if you think you have what it takes to survive five nights in  
a room filled with animatronics, give FNAF 4 a try. Good luck, and have fun!
