A huge collection of free games for kids to play at different levels

A lot of our games for kids feature the option to select a difficulty level that is suited to the player. For instance, in our jigsaw puzzle games this allows you to set the number of puzzle pieces to play with. In our picture matching games, you can use the difficulty settings to select the number of cards. This way, you can make sure the level of play is always right: challenging enough to keep the game engaging, but not so difficult that it becomes discouraging.
