Call of Duty: Modern Warfare 3 (2024) does not support the traditional split-screen co-op mode. However, you can still enjoy two-player local multiplayer on a single console using the couch co-op feature. This mode allows two players to play together on the same console, which is a great alternative to split-screen. The game also offers a private match option for local play.

Call of Duty: WWII is also available on the PlayStation 4 and Xbox One. The game features a variety of multiplayer modes, including a private match mode for local play. The game is set in Europe during World War II and follows the story of a soldier named Private James D. Earl.
