Step 1: Download and install the AirMore app on your Android phone via Google Play Store. Step 2: Connect both your Android and iOS device to the same WiFi network. Then open web.airmore in a web browser on your iPhone. Step 3: Up next, launch the AirMore app on your Android phone, then tap on Scan to connect.

Step 4: On your iPhone, tap on the QR code that appears on the screen. This will initiate the connection between your devices. Once connected, you can use the AirMore app to transfer files between your Android and iOS devices.
