It's a really good game it's fun to play and entertaining I like this g

ly good game it's fun to play and it really entertaining I like this game becaus

e you can &#127752; make sure the sound and there's no sound without increasing

up your device or lowing it so what I would &#127752; like to say is that they

should get quite a bit of an upgrade and stop telling you to continuously &#127

752; get something because during the run because you'd be focusing on your hig

h score instead of something else as it's &#127752; really distracting and take

s up a lot of your time during the run as in addition I would like to &#127752;

say that there is quite a couple of good things about this because you can watc

h an advert if you &#127752; wanted to you to get the daily rewards are really

rewarding and you can get a lot of keys which &#127752; would help you speed up

one thing I do not like about this game is how the speed goes up &#127752; as

you run fast I guess that's all the cons and all the pros Plus there's a lot of

kind &#127752; of thing you'd get five of something and you get is money and in

the money the randomising money thing &#127752; is that you didn't after 10,00

0 coins right but usually it is 1000 coins and below which is kind of &#127752;

really random because it's frustrating as I'm trying to get a lot of money whic

h would help if you'd allowed &#127752; us to get a lot of money in a certain t
