

w888 slot

Along the way, hit bricks and blocks to collect the coins inside them, but sometimes you get mushrooms, which can help you grow in size, which is the red mushroom, while the green mushroom will give you the ability to shoot fire. Avoid or shoot enemies, such as the turtles or the Kappa, because if they touch you, you lose or decrease in size. The number of lives you have is limited, so don't lose them all. Be careful of the man-eating plants coming out of the green tubes, but use some of them to teleport. Also, make use of platforms, static or moving ones, and make sure to never fall in the pits, since that also means you lose. Get to the end of each level, until you finish all the stages and save Princess Peach!
