<p>Help the bartender mix drinks in the right ratios for Miguel! Choose from a shelf full of different drinks that 🍏 range from Vodka, Whiskey, Vermouth, Tripple-Sec, Gin etc. and mix them together for the ultimate drink for a good night 🍏 out. Add ice or lemon to the drinks to give it that extra kick but be careful, mixing the drinks 🍏 in the wrong amounts or simply mixing the wrong drinks could end in in the worst of ways! No bartending 🍏 school required!</p>

<p>First you must add your choice of spirit. Maybe you will choose Kahula, Vermouth, or even Tequila? Next, you 🍏 can add an accompanying juice such as orange, lemon, and cranberry. Will you add some ice to cool your drink 🍏 or maybe a lemon to add a little sourness? Shake your drink and serve your concoction to Miguel. Will he 🍏 like your cocktail or will it send him to an early grave? Can you create the right mix and serve 🍏 the perfect drink?</p>

<p>Bartender The Right Mix is a Flash game that you can now play without the discontinued plugin, thanks 🍏 to Ruffle.</p>
