on levels, which have an increased level of difficulty as they are passed succe

will have to match at least 3 characters in the same row 💪 to earn poi

💪 that you manage to win it.</p>

<p>Here you will also meet boosters or special powers that you receive as

a gift 💪 depending on how many characters you join in the same row. For

example, if you manage to unite five characters 💪 in the same row, you

will receive extra points and extra time to continue the level and manage to co

because they can also give you hints to 💪 help you identify the matche
