Naruto (a «a») is a Japanese manga series written and illustrated by Masashi Kishimoto. This is the story of Naruto Uzumaki, a young ninja who seeks to gain respect from his peers and also dreams of becoming the Hokage, the leader of his village. To gain the respect of others, he will have to go through thousands of obstacles: ninja exams, various missions, and battles. The entire Naruto series is set in a fictional world with a socio-political structure reminiscent of feudal Japan. The small size of the state functioned and developed as an independent unit controlled by the feudal lords, the daimyo. Our attractive Naruto games are based on this animated series of the same name. Kids can spend their free time dressing up as their favorite heroes. Children need to take into account all the characteristics of clothing and choose a fitting copy of the original. Try to give the costume a nice color that will not attract much attention. An important part of this game is their shoes. When dressing up Naruto one must choose this part of the wardrobe incredibly carefully. Shoes should be c
