<p>A huge collection of free games for kids to play at 💻 differen
t levels</p>
<p>A lot of our games for kids feature the option to select a difficulty l
evel that is suited to 💻 the player. For instance, in our jigsaw puzzle
games this allows you to set the number of puzzle pieces to 💻 play wit
h. In our picture matching games, you can use the difficulty settings to select
the number of cards. This 💻 way, you can make sure the level of play is
always right: challenging enough to keep the game engaging, but 💻 not
so difficult that it becomes discouraging </p>
