&#127918; Hoshi Saga

Hoshi Saga Games are really appreciated all over the place, which is why we wanted to have one on our website as well, so we have added the first game in the series right now, called Hoshi Saga 1, game which we highly recommend to all of our visitors, who know that we only bring the highest quality games on our website, so if such a game is available here, it means that it is worth your time to give it a try. You have probably not played games such as Hoshi Saga, so allow us to use what we have left in this description to explain the gameplay, so you can start it immediately, and do a great job at it. This is an interactive puzzle game. In each level, your goal is going to be to find the star that is hidden among different things that you can see on the screen. With the mouse you are going to interact with them, with the purpose of revealing the location of the star, and when you achieve that, you will have won the level. There are no less than 35 stages, each one more fun than the last, so do not waste this opportunity to play the game, give it a chance right now, and we are sure you will be having huge amounts of fun!
