<p&gt;&lt;/p&gt;&lt;p&gt;To fully exploit the constrained width, avoid loadin g the neighbouring structures and straddle shared utilities running under the si te, the 👏 house was constructed using a lightweight steel frame on a pi led slab. The steelwork was prefabricated as a series of 👏 portal frame s that were craned down the alley and site-welded together. Given that every inc h in such a narrow space 👏 was valuable we chose to fully weld the conn ections and express the frame internally, even utilising the depth of the &#1280 79; steels to maximise the space.</p&gt; <p&gt;Alongside the painted steel a simple palette of spruce plywood, douglas fir joists, terrazzo and cork 👏 flooring enriches the interior. Extern ally the timber framed walls are clad in handmade pewter glazed brick slips with a patina 👏 that reflects the changing light of the sky. Both the simple y landscaped and planted rear courtyard and the garden in 👏 front of the e house enhance the feeling of space in this small dwelling.</p&gt; <p&gt;This self-build project had a long gestation, fitted &#128079; in arou nd professional and family life. The design and construction were developed as t ime and money allowed so whilst planning 👏 consent was given in January 2014 and the ground works commenced in the spring of 2024, the building was not 👏 completed until August 2024. We worked closely with friend and joine r Michael Tye to lead a small team of local 👏 subcontractors and employ ed specialist fabricators for certain key packages as well as undertaking a fair amount of the work ourselves.</p&gt; <p&gt;The &#128079; result is a unique and highly crafted home that is a test tament to the commitment, effort and support of many 👏 people. By repla cing a narrow disused alley with this comfortable small home we hope to have enh anced the streetscape we 👏 inhabit. As the building completes the terra ce, so does the front garden - with the simple bin store, planting, level &#1280

79; access and bike parking we aimed to keep it open and reinforce the pavement line without making a hard boundary. 👏 The development highlights the
