## esporting bets

;/span><span&gt;&lt;div&gt;footprintstorecovery:

```
<p&gt;Sequels are as much a part of horror as any other genre, so when Jim Ve
jvoda of IGN sat down
                                            , with Jennifer Kent, the question of a "Babadook&q
uot; sequel inevitably came up. Specifically, Vejvoda asked Kent if she was afra
         , that the stand-alone gem would become diminished by a " sequel factor
y," and if she'd have control over an outside source
 movie. Fortunately, Kent confirmed that she and the producers own the rights to
 any sequels, so they'd have
                                                           , the ultimate say. On that note, she took th
e opportunity to shut down any speculation
                                                                                we shouldn't expect "The
     Babadook 2." As she explained, " The reason for that is I will never
 allow any sequel to be made because , it's not that kind of film."&l
t;/p>
<p&gt;It seems like Kent always knew &quot;The Babadook&quot; wouldn&#39;t ha
ve a sequel, and for good
                                              reason. She went on to say, "It's just no
t what the film's about. It would destroy the integrity of everything
 worked so hard to protect. Equot; That makes sense, as the film $\#39$; s focus is s
pecifically on the trauma of Emilia , and Samuel, a story that $\pmu #39;s now been
told. A sequel would dull the underlining meaning of the movie.</p&gt;
<p&gt;Sometimes, a movie
                                                      , with a purpose like " The Babadook & quot; is
fine standing on its own.</p&gt;
