Poki?

There are no Poki games here! Why? One of the tasks of our site is to p

rovide you with access , to high-quality games that can compete with Poki game

s. All games present in our catalog are free. There are more , than 300 themat

ic categories on our site. The section of 1001 games designed for tablets and sm

artphones, which also work , on desktops, is also growing rapidly. We have col

lected for you a vast number of games, including all the most , famous game se

ries that are updated daily, which are not available on the original Poki websit

e yet. To start with, , choose the genre you like, then decide on the game you

want to play and launch it right away, without , registering and downloading

it to your computer.

From Flash to HTML5 available without Poki games

Since people have always enjoyed unwinding and , having fun, they hav

e created numerous devices or simply exploited resources that were available to

them. That is how things , familiar to us were created: balls, skittles befo

re that they were just stones and sticks. But now we have , all these technolo

gy and devises, thanks to which the gaming component of everyday life has increa

sed many times.

Since modern browsers , have stopped supporting Flash technology sinc

e 2024, games based on this system are gradually leaving web pages. However, the

re are , still some of the most popular toys that work in browsers using speci

al emulators. HTML5 technology significantly expands the possibilities , for p

layers. Created using modern developments, HTML5 games can be launched both on d

esktops and on many other devices of , various modifications.
