everything from kids games to massive multiplayer online games that will challenge even dress-up and design games, and families will enjoy our bubble shooter games, Kogama basketball game or an awesome fighting game. You can play games in any of our gaming categories, which include: multiplayer games, io games, motorcycle games, math games.

The simple answer is no, as you probably expected. A very few games (like Half Life Alyx) have been modded to allow play without a headset but they are clunky, rare and still require a capable PC, which it doesn't sound like you have. If you desperately need VR chat in your life, you'll need a headset.
