"No spin" is a term often used in media and communication to indicate that information is being presented without bias or manipulation. It implies that the information is being delivered in a straightforward and objective manner, without any attempt to influence or persuade the audience in a particular direction.

If you've just bought a new washing machine it is also recommended to run it on an empty cycle before you start using it for your clothes or bedding. This is to ensure that there is no dust, oils, or any other residue left inside the machine or its pipes.
