Very scary horror

. This is

an extremely scary, graphic horror movie that should not be taken lightly. I ha

ve seen my fair share of horror movies over the years but this one definitely ha

s a different feel to it. It is chilling, unnerving, and very difficult to watch

sometimes.

The film is scary. The jump sca

res are terrifying. The shock-horror scenes are both haunting and gruesome, comp

arable to those in Ari Aster's blockbusters. But unlike, say, that scene in

Midsommar, the moments of visual gore in Smile seem to actually propel the narra

tive, not just permanently disturb the viewer.
