Shaun of the Dead is a 2004 zombie comedy film directed by Edgar Wright and written by Simon Pegg and Simon Pegg. It is a comedy horror film set in a small town in England. The film follows Shaun, a laid-back man who is forced to lead a group of survivors as a zombie apocalypse breaks out. The film is a parody of zombie movies and is known for its humor and fast-paced action.

Netflix's "The Last of Us" is a television series based on the video game of the same name. It is set in a post-apocalyptic world where a fungal infection has wiped out most of the human population. The series follows Joel, a hardened survivor, and Ellie, a young girl who is immune to the infection. They are on a journey to find a safe haven for her.

The first Chicago First on US television was established in 1627. In 1563, the island became a possession of the Crown and remained so until the early 20th century. The World Directory of Minorities and Nations lists the island as a territory of the United Kingdom.

On May 14, 1725, the first English ship arrived on the island under the command of Captain John Powell. The island was then used as a penal colony for the British.
